

Primary French

easyMFL

Year Six (Unit 19) Worksheets and Assessment

Introduction

This document has been designed to support you in teaching primary level French. It is designed to be used in conjunction with the corresponding Scheme of Learning and the PowerPoint presentations. Each lesson therefore has a plan, presentation and worksheet(s), meaning almost no planning for teachers!

Each lesson matches to the new 2014 National Curriculum for MFL and pupil progress is tracked through end of unit assessments. These assessments are linked to the [easyMFL](#) progress levels to enable teachers to map progress of students. Since there is no common set of assessment criteria within the new National Curriculum, our progress levels are designed to fit in to what teachers (and pupils/parents) are already used to.

At the end of each unit there is an assessment which assesses one of the four skills of listening, speaking, reading and writing. There is then a feedback sheet which includes a tick list showing the level and skills achieved as well as space for comments by pupils, parents and the teacher. Each unit can then be collated and kept as evidence of the rigorous MFL teaching and assessment that is taking place.

All of the resources have been designed and written by a very experienced MFL teacher who currently teaches both primary and secondary school pupils. If you have any questions, feedback or require any assistance, please do not hesitate to contact the author via iac@interactivetextbooks.co.uk

If you like [easyMFL](#), please let your colleagues know and check out our other resources at www.interactivetextbooks.co.uk

Thank you for your support!
